

Nokomis CUSD #22

Student Insurance Waiver

The Board of Education of Nokomis CUSD #22 has purchased a basic school-time student accident coverage including football and catastrophic insurance coverage. This insurance policy is a secondary policy and should not be counted on for a primary insurance policy. While the district takes every precaution to ensure accidents and injuries do not occur, families and participants should have health insurance and/or accident coverage protection to cover the cost in case of such incidents.

We urge you to read your health insurance policy very carefully and to review it with your insurance agent to be sure that you understand the coverage you have relative to athletic accidents.

Please keep in mind that all expenses incurred as a result of athletic injuries or school time related accidents are the responsibility of the parents. Nokomis CUSD #22 will not be held liable in the case of an injury, and does not provide insurance for these types of accidents.

I acknowledge that Nokomis CUSD #22 and its Board of Education will not be held liable in the event my child(s) is injured while at school and/or participating interscholastic sports. I agree that by signing this student insurance waiver that we accept full responsibility for medical expenses incurred as a result of my child(s) being at school and/or participating in athletic programs offered by the district.
